Department of English

The importance of literary studies is being increasingly recognized in today's world. Literary studies help directly or indirectly in creating career choices; they certainly tap and harness the human potential. The Department of English endeavors to provide the students a firm grounding in English and literary studies in a very congenial atmosphere. English is one of the most popular subjects among undergraduate students who opt for it as their core or elective subject every year. Our students are introduced to all the important aspects of literatures written in English.

We extend ourselves to other departments too, with the teaching of English and Communication skills to students of other departments. Teaching of English for Remedial English classes and for competitive examinations is also undertaken by the Department. We also have a nice stack of useful books at our departmental library and up-to-date smart classrooms available for teaching, presentations, and academic functions. We also have a nice stack of useful books at library and up-to-date smart classrooms available for teaching, presentations, and academic functions. In addition to various competitions and events for the students we try to make our students feel at home, we also indulge them to explore their talents with creative involvements and challenges.

So, our students can learn, communicate, mingle, and excel—all at this department. All in All aim of the English department is to develop Language Skill and to introduce the students to English literature beside above said ,also to cater the need of literary sensibility and perception.
