"The Consequences of Cheating in Exam"

Dated: 25/10/23

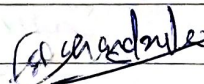

Report

One day seminar on "The Consequences of Cheating in Exam" was organised by the Dept of English on 25/10/23 at our Indira Gandhi Govt College Pandaria, Kalirham (C.G). The Lectature was given by Mrs. Anakshi Banjare & the resource person of this seminar was the head of the department.

In this speech she told us about "the consequences of cheating in exam". She told us how cheating can lead to serious academic penalties including failure, suspension & even expulsion. These consequences can haunt you for the rest of your life, making it harder to get into college. It also damages your reputation & integrity. It also leads to lack of our confidence and self doubt. When you cheat, you're not developing the skills & knowledge that you need to succeed. This can lead to feelings of inadequacy & low self esteem. Always remember 'honesty is always the best policy'. Don't risk your future by cheating. Work hard, stay honest and earn your success.

All the teacher staff & students were present in this seminar. They were very much influenced with this speech.
