Respected Sir

We, The Institute for Advance Studies (IFAS), India's No.1 Institute for CSIR-NET, SET, GATE, IIT-JAM, GAT-B, UGC NET exams. A best ever place for Life Science, Chemical Science, Physical science and Mathematical science focusing on the success of Aspirant's, who want to make their Career in Academic and Research, from 2002 (20 years).

We, want to conduct a free and online, carrier counselling webinar for the students of B.Sc. and M.Sc., MBA, MCA, MA, MCOM where we want to guide them for further opportunities. Our aim to focus on the topic, "The Strategizing and Planning for competitive exams after B.Sc., M.Sc., MBA, MCM, MA & MCOM." so that students can kick-start their preparation for competitive exams. This is totally for the betterment of the students' knowledge and not for the advertisement. We are not going to do any type for advertisement in webinar. We want to briefly guide them about what actually IIT-JAM, CSIR-NET, GATE, SET, UGC NET exams are? How this will be helpful for students? What needs to be their agenda? How they can prepare for this and much more.

kindly allow us to ignite the minds of students and conduct this webinar. Looking forward to hear from you soon.

Best Regards

Diksha Patil.
