Day - 01 Report Date 22/12/2023

Poster Presentation Competition: 08:00AM-09:00AM

On the occasion of National Mathematics Day, Poster competition was held on 22/12/23 at 8:00 am to 9:00am. The Poster competition topic was entirely based on National Mathematics Day program. The program convener Mr. Omprakash Dewangan addressed all the students about the importance of National Mathematics Day and concluded the program with best wishes. The head in charge of this poster competition was Mr. Chitrasen Thakur, Asst. Professor (Botany), Mr. Satyam Donde and Miss. Nilishwari Chandrakar instructed to all students to put their poster on the wall in a sequence. The theme of this poster presentation competition was based on **“Use of Maths in Daily Life”**. In this competition, each student had given presentation on the poster made by them along with the use of mathematics in daily life,

The biography of famous Indian mathematician Sir Srinivasa Ramanujan and the importance of mathematics concept given by him in daily life was depicted in the poster. The judges of this competition Mr. Dinesh Kashyap, Asst. Professor (History), Mr. Chandrasingh Rajput, Asst. Professor (Economics) and Mr. Bhanjan Sao examined the poster made by all the participants and listened carefully to their presentation given on the topic “use of mathematics in daily life”. 37 students participated with great enthusiasm in this poster presentation competition. In this competition, not only B.Sc (Maths) students participated but also students of different departments also participated actively. After this, the judges share their feedback on the posters and motivated students. Then judges announced the name of the winners of the competition. The convener of this National Mathematics Day Mr. Omprakash Dewangan congratulated all the winners.

Winner of Poster presentation Competition

1. First : Rupendra Thakur, B.Sc. Second year (Maths)
2. Second: Aakash Kumar, B.Sc. Second Year (Maths)

SECOND DAY REPORT : 23/12/2023

Mrs. Leenakshi Banjara introduced all guests Dr. Dhananjay Gopal (Chief Guest), Mr. Dildar Singh Tandon (Special Guest), Mr. Asit Misra (Special Guest), Dr. B.S. Chauhan (Principal), Mr. M.S. Rajput (IQAC Co-ordinator), Mr. Omprakash Dewangan (Convener & Head of Department of Mathematics), Mr. Dinesh Kashyap, Asst. prof, (History), Mr. Chitrasen Thakur, Asst. Professor (Botany), Mr. Chandrahas Singh Rajput Asst. Professor (Economics), Mr. Alekh Patel, Asst. Professor(Geography), and Mr. Bholaram Dhritlahre, Asst. Professor(Chemistry) The guests were welcomed with bouquet.

SECOND DAY REPORT : 23/12/2023

In this event, the Principal of the college, Dr. B.S. Chauhan gave a welcome speech and also explained the importance of Maths in our life.

SECOND DAY REPORT : 23/12/2023

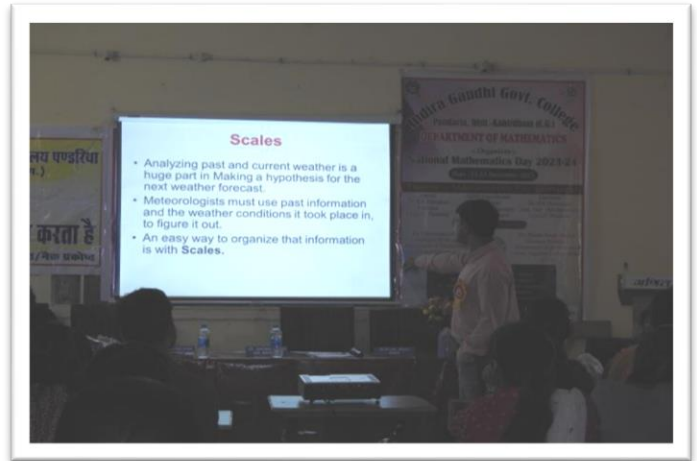

All of the dignitaries were warmly welcomed by Convener & the head of the mathematics department, Mr. Omprakash Dewangan, who also offered the itinerary for the day's activities and also explain the significance of National Mathematics Day. The convener Mr. Omprakash Dewangan inform that this National Mathematics Day 2023, which is organized by Department of mathematics & was catalyzed and supported by CCOST and NCSTS, Govt. of India, New Delhi . The main objective of the two day's program (22/12/23 to 23/12/23) is to make the society aware about the important

contribution of Great mathematician Srinivasa Ramanujan in Maths. Total 37 student participated in poster presentation, 30 Students participated in quiz competition and 36 student are participated in Rangoli competition. The student were awarded first prize of Rs 501, second prize of Rs 301, along with a memento and certificate.

SECOND DAY REPORT : 23/12/2023

After this our honorable Chief Guest Dr. Dhananjay Gopal and Guest of honour Mr. Dildar Singh Tandon's address was received. Mr. Dildar Singh Tandon invited by Mrs. Madhuri Ratna Bhaskar for his lecture session Presentation namely **“How Mathematics made our life easy and beautiful”**. Throughout his presentation he give brief details about most recent trends in mathematics and on its technical development, including MATLAB, Coding-Decoding, Crypto, Security Networking, Digital Signatures, etc.

SECOND DAY REPORT : 23/12/2023

SECOND DAY REPORT : 23/12/2023

Lunch break around 1:40pm .

SECOND DAY REPORT : 23/12/2023

For second session Dr. Dhananjay Gopal invited by Mrs. Madhuri Ratna Bhaskar to delivered his Lecture on **“Biography of Sir Srinivasa Ramanujan and his Contribution in Mathematics”**. Dr. Gopal narrated the days of Ramanujan struggle and his dedication towards mathematics. He also provided information about Ramanujan Number and Ramanujan Magic Square. Dr. Gopal also told about some basic mathematical concept related to surface theory. Dr. Gopal has motivated all the students by saying that “ Anyone can do more if he has achieved more things, but how can we do more good with less resource” for aquiring this we should make continuous efforts. Many students also asked questions related to Maths. Dr. Gopal also Discussed about Galois theory, Riemann integral, Darboux theorem, fundamental theorem of calculus.

SECOND DAY REPORT : 23/12/2023

Refreshment break from 3 Pm to 3:10 Pm .

PRIZE DISTRIBUTION

SECOND DAY REPORT : 23/12/2023

Prize distribution was started at 3:10 Pm onwards the winners of Poster presentation competition, Quiz competition and Rangoli competition , award was given to students by the hon. guest with a certificate and first prize of Rs 501 and second prize of Rs 301. Also, on the occasion of **National Mathematics Day, B.Sc. Ramanujan Award** was given to the students who topped first, second and third in (Maths) from the Mathematics Department 2022-23. Mr. Aakash Dahire (B.Sc. 1st year Maths), Mr. Devnayaran (B.Sc. 2nd year, Maths) and Aayushi Shriwastav (B.Sc. 3rd Year, Maths) was honored with a memento and certificate for securing first position in their class. Then Mrs. Leenakshi Banjara invited Convener & Head of Department of Mathematics.

SECOND DAY REPORT : 23/12/2023

SECOND DAY REPORT : 23/12/2023

Appreciation to Honourable Chief Guest & Special Guest with Memento and Certificate

We extend our heartfelt thanks and deepest gratitude to Dr. Dhananjay Gopal sir and Mr. Dildar Singh Tandon sir for giving us their esteemed presence as the guest of our events. Your unwavering support and guidance have made this events truly memorable.

Mr. Dhananjay Gopal sir was honoured with memento and certificate by Mr. M.S. Rajput Sir (IQAC, Coordinator).

Mr Dildar Singh Tandan sir was honoured with memento and certificate by Mr. Omprakash Dewangan Sir (Convenor & Head of Maths Department).

With this memento and certificate we express our heartfelt thanks for your presence on this events as our honourable guest.

SECOND DAY REPORT : 23/12/2023

Vote of Thanks

Mr. Omprakash Dewangan thanks to Dr. Dhananjay Gopal and Mr. Dildar Singh Tandon for giving the precious time for the program and giving us information related to mathematics. Along with this, the college principal, all the assistant professors, guest lecturers, all the staff and students of the organizing committee supported to make National Mathematics Day program organised successfully. *Mr. Dewangan thanked Chhattisgarh Council of Science & Technology Raipur (CCOST) & NCSTC, Govt. Of India, New Delhi, for their financial support as well as Principal Sir for their guidance, all the committee members and the students.* After that he announced the end of the program National Mathematics Day 2023 celebration ended with the National Anthem.

SECOND DAY REPORT : 23/12/2023

PLANTATION BY HON'BLE GUEST

At 3:50 Pm Plantation was done by our Hon. Guest Dr. Dhananjay Gopal & Mr. Dildar Singh Tandon in the Botanical Garden of the college on the occasion of National Mathematics Day.

National Mathematics Day 2023

Dear Sir/Madam,

In the memory of legendary Indian Mathematician Shrinivasa Ramanujan, the Department of Mathematics of Indira Gandhi Govt. College Pandaria Dist.- Kabirdham (C.G.) is organised National Mathematics Day celebration theme named "Mathematics for Everyone". This programme is catalyzed by Chhattisgarh Council of Science and Technology Raipur and is supported by National Council for science and Technology communication (NCSTC) DST, Government of India, New Delhi. We aim and hope that this program will open up window towards unknown territories in the past and future of mathematics. We cordially invite you whole hearted co-operation and participation to this program.

About College and Department : Indira Gandhi Government College, Pandaria Dist. Kabirdham (C.G.) is affiliated to Hemchand Yadav University Durg (C.G.). This College is emerging college in Kabirdham District of Chhattisgarh is located in the close vicinity of Half rivers near NH130 A. It was established in 1984 and enlightening the student fraternity of Pandaria and nearby villages. Our college has been recognised under 2(f) and 12(B) of UGC act 1956. उल्लेखनीय है कि शनिवार को साप्ताहिक बाजार के दिन ही रोड और चबुतरे में दुकान लगती है सप्ताह का यही एक ऐसा दिन है, जब यहां पर रोक रहती है और आसपास के गांव के लोग खरीदारी करने यहाँ पहुँचते हैं, बाकी के 6 दिन यह बाजार पूरी तरह से वीरान रहता है. दरअसल नगर पंचायत की लापरवाही और निष्कृत्यता के चलते सब्जी वाले सब्जी मंडी में दुकान नहीं लगा रहे हैं यदि नगर पंचायत और पुलिस विभाग सख्त हो जाए तो संभवतः माहौल में कुछ सुधार हो सकता है. नगर के मुख्य मार्ग में सड़क के दोनों किनारे सब्जी व अन्य सामान बेचा जा रहा है. जिसके चलते नगर में आवागमन करने वाले लोगों को काफी परेशानियों को सामना करना पड़ रहा है. स्थानीय जनप्रतिनिधियों की पहल से इस स्थिति से निजात दिलाई जा सकती है पर इस दिशा में आज तक किसी ने पहल नहीं की है.
